Voters pick Dresser, Everett, Angevine and incumbents

By MICHAEL DANIELS

Fewer than one in ten registered Bethel voters (167 of 1,755) turned out for Tuesday's election of town officials.

Those who did reelected six-year incumbent Dutch Dresser to another three-year term, and they chose Bob Everett to replace incumbent Bob Chadbourne, who was not seeking another term.

Dresser, who currently serves as board chairman, received 121 votes, Everett 105 and Nada Sessions, the unsuccessful third candidate, received 67.

Balloting for other town offices involved no real races, since in all cases the candidates were running unopposed. All the candidates, with the exception of Ernest Angevine, were incumbents.

The votes they received were as follows:

For assessor (three-year terms):-- John Head 149, Ernest Angevine 24 (write-in). The name of assessor Bob Saunders, who died in May, was also on the ballot. Eighteen votes were cast for him.

For SAD44 school director (three-year terms): John Brown 152, Anne Stuer 139, Elaine Cross 159 (two-year term).

The Bethel Town Meeting was to continue last evening, Wednesday, June 16, beginning at 7 p.m., which is too late to be reported in this edition of The Citizen.

'Up with People' outdraws up with the school budget

By MICHAEL DANIELS

Tuesday's public hearing on a proposed \$7.5 million SAD44 school budget for the coming year took less than 15 minutes, but everyone who wanted to had plenty of opportunity to talk.

The meeting opened at 7 p.m. with five of the 17 School Board members present, along with a half dozen district staffers and a lone representative of the press.

No members of the general public were present, but one, Jack Greig of Bethel, did arrive a few minutes later.

The budget meeting had tough competition. A mile away at Telstar, the school gymnasium was filled to overflowing for a standing-room-only performance by the international touring group "Up with People."

Superintendent Kent Rosberg said the timing of the hearing was unfor-

tunate but unavoidable. Delays in state action on local school aid, and legal requirements regarding the timing of the hearing and the June 29 referendum vote left a window of only two days for the hearing, he said.

"We would rather have done it two months ago," he said, but lack of final figures from the state prevented that.

"As it ended up, we could either compete with 'Up with People' or with the Bethel annual Town Meeting," he said, "and that's a no brainer." (The Town Meeting was scheduled for Wednesday evening)

EBS cost questioned

Greig complained that when voters were asked to approve the construction of the Crescent Park School (in 1992) they were told that part of the reason was that the

TMS kids' hearts reach out to Columbine and Columbia

By ALISON ALOISIO

Aly Storck, a seventh-grader at Telstar Middle School, wanted to help when she saw the story of the school shootings in Columbine, Colo. So she came up with a fund-raising project -- and collected more than \$100 to go toward counseling for students at the school.

Storck, who lives in Woodstock, sold tiny ribbon pins at a dollar each in the weeks following the Colorado shooting. Other students made the ribbons, and also helped with the sales.

The idea was born out of a conversation between Aly and her mother. "She suggested it, and I went to Mrs. Hannon, TMS assistant principal," said Aly.

The ribbons were sold both at school and at her mother's hair sa-

lon. A check is now headed for Colorado.

While the victims of the April shooting will benefit, so does Storck. "I was doing something for myself, because I felt really good when I did it," she said.

Help for Columbia

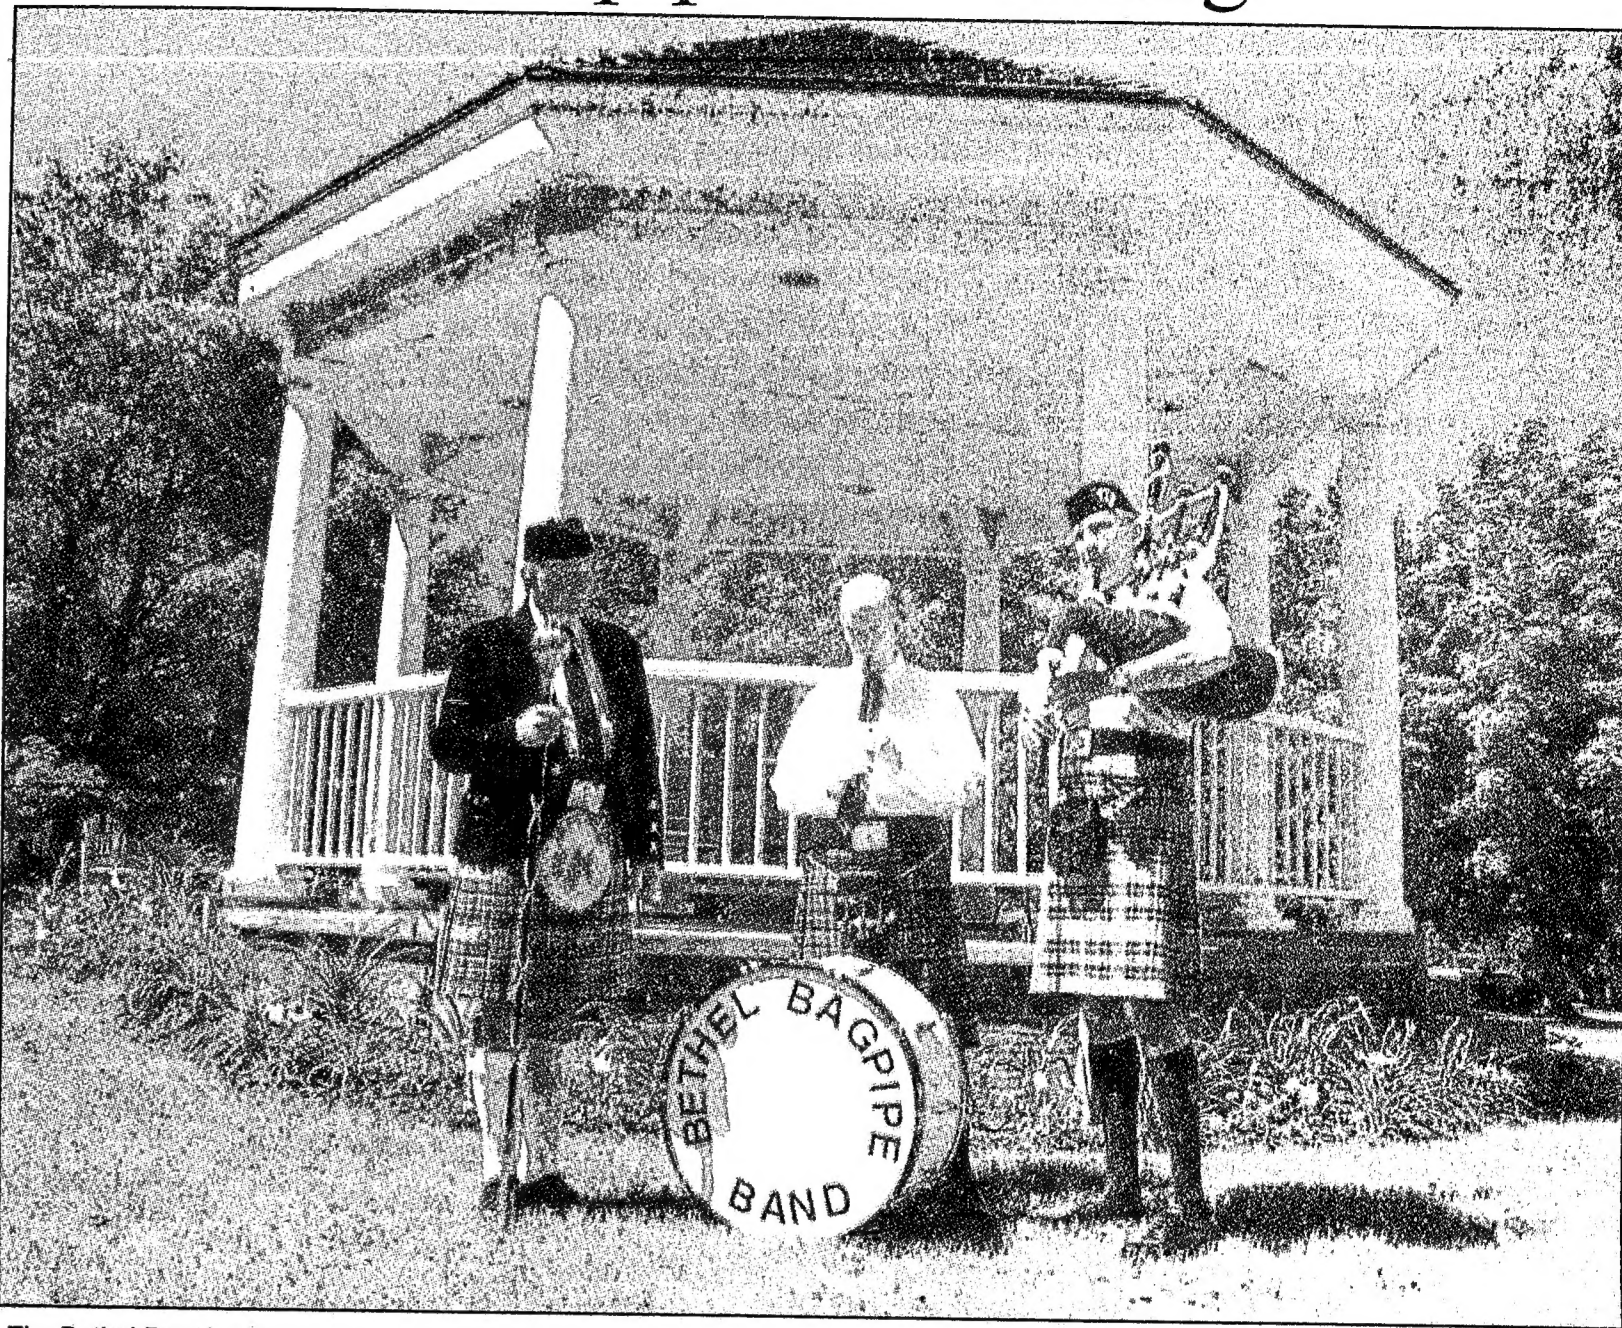

Earlier in the school year, Aly's classmate, Tim Beaudet of Bethel, saw reports of a devastating earthquake in Columbia. "I was thinking on the bus, that I could go without food for 24 hours, and get sponsors," he said.

Beaudet, a Boy Scout, had not done any previous fundraising other than selling popcorn for the troop.

He learned quickly, however.

The pipes are calling

The Bethel Bagpipe Band: drum major Blaine Mills, drummer (and aspiring piper) Chuck Steedman, pipe major Clint Schaum. (Daniels)

Bagpipers needed: no experience necessary, but must commit to 30 minutes a day of practice

By MICHAEL DANIELS

If you live in Bethel village you might have heard some strange sounds of late coming from the common -- the lonely, sometimes funeral, sometimes inspirational call of Highland bagpipes.

And actually it's not quite "bagpipes," but rather "bagpipe." It's Clint Schaum's instrument, and he's hoping the music inspires others to join his crusade to bring bagpipe music to Bethel.

Schaum's "Bethel Bagpipe Band" currently numbers three members: he's the pipe major, Chuck Steedman of Bethel is the drummer (and an aspiring piper), and Blaine Mills of Locke Mills is the drum major.

One piper and one drummer are all it really takes, but Schaum wants to grow the corps into a larger band, one that can perform regularly at Bethel-area parties, parades, festivals, weddings and even funerals.

But that's all in the future. "For now" he said, "we're just going to get together and make some noise." To swell the band's ranks, he's looking for a few good drummers (especially bass and walking snare), and for people willing to take on the challenge of learning the bagpipes.

You don't have to be musical -- or Celtic -- to take up the pipes, he said, just willing to devote 30 minutes a day to practice.

Schaum himself has hardly devoted years of study to the pipes. He recalls hearing them as a child, at Highland games in his native state of North Carolina. "And the hairs stood up on the back of my neck," he said.

But he didn't think of playing the pipes himself until last November, when he awoke late one night depressed and put on a CD of bagpipe

music. The music raised his spirits, and he thought, "Why not?"

He's since progressed to the point where he can play "about 10 songs." It helps, he said, that the instrument produces only nine notes (but the grace notes can be tough).

Steedman began teaching himself in October of last year, and he's just at the point of mastering "a few small melodies."

He expressed admiration for the speed of Schaum's development. "He's gone from zero to 60 in a heartbeat," Steedman said. "I don't know anyone who's ever taught himself that fast."

Steedman is learning on a practice chanter, a flute-like woodwind (see photo) that beginning pipers learn on.

The sounds that come from the practice chanter are far softer than those from the bagpipe, so the families of neophyte pipers don't have to endure full-volume practice sessions.

The practice chanter is also a great deal less expensive than a bagpipe. A beginner can get a chanter and manual for around \$60, Schaum said, while bagpipes sell for from \$600 to \$1,500.

For a full kit, including a kilt, Schaum said, you should be prepared to spend around \$1,000.

Steedman, asked if he planned to take the plunge once his skills were up to speed, replied, "Oh, absolutely."

So that will make two Bethel pipers.

For anyone else who feels the call of the pipes stirring a chord in their soul, Schaum -- a retired prep school English teacher and a bird dog trainer -- will be glad to offer free lessons.

He can be contacted at 824-4785.

For Jeri and Jerry, the eyes now have it

By ALISON ALOISIO

Jeri Brooks Greenwell of Bethel had worn glasses since second grade. After 35 years, it was getting old.

She was tired of having her glasses slide down her nose on hot days. She was tired of scrambling for them if something interesting came on TV.

"I tried contacts, but I couldn't get used to the idea of putting something on my eye. I'd blink when I got the contact close to it," she said.

Greenwell had seen ads on TV about laser eye surgery. "I got psyched about it. I thought it seemed like a simple procedure," she said.

So in late May, Greenwell, who is nearsighted, had the surgery. The results, she said, are dramatic -- and so is the reaction of friends and customers at the family store, Brooks Brothers.

They can see clearly now -- without the glasses

North of the border

It took more than a simple phone call to arrange for the laser procedure. Most places she called in Maine "said they are not doing it yet," said Greenwell. Two places she found, one in Portland, one in Boston, charged almost \$5,000.

That seemed a little steep. But then, her ophthalmologist referred her to a clinic in Sherbrooke, Quebec.

The price: about \$1,400 -- much

more appealing. Besides, since Greenwell had decided to look into laser surgery, her husband, Jerry, decided he wanted to do it as well. He had worn glasses, also for nearsightedness, for about 10 years.

They went to the clinic for a consultation, and learned the procedure involved lifting up the eye's cornea (the eye's transparent outer coating) and sculpting its deeper layers with the laser. The procedure improves the precision with which the cornea helps focus an image. A local eye anesthetic would be used.

The Greenwells decided to go

FAREWELL TO A FRIEND--Jim Sysko was there in February when Angus, the Snowman was born, and he was there again last Thursday to commit him back to the earth. The World's Tallest Snowman melted at 12:30 p.m. on June 10, with Sysko by his side. Sysko had come out to the site at midnight on the eighth and ninth, for fear Angus might expire without anyone knowing which side of midnight would claim him. "I saw him at his height, and I saw him at his depth," said Sysko. As for the betting pool regarding Angus' day of melting, June 10 happened to be the most-frequently-picked date, according to Robin Zinchuk of the Bethel Area Chamber of Commerce. Twenty-two people will share in the \$568.50 pool. That's half the total money put into the pool -- the other half remains with the chamber. There were many guesses reaching into July, August and September, said Zinchuk -- and even some into next April, on the theory that some of Angus would remain through the winter. The unusually warm spring, however, caught up with the snowman. Some of the local pool winners include Emily Beers (who helped build Angus), Devon Brown, Anne Carter, Ed and Lori Swain and Nancy Lincoln.

P.F. FLYERS AT BROWN'S

To the Editor:

In central Texas, the old-timers say that the true sign of spring is the budding of the mesquite trees. No danger of frost once the mesquites have put out their new leaves, they say. I've been here for 14 springs, and this year the mesquites lied. We had two killing frosts after the trees budded. Sure was good for folks selling bedding plants, but it was frustrating for commercial fruit growers and home gardeners as well. Can't trust anything these days.

As a young boy growing up on Chapman Street, I eagerly watched for signs of spring. Spring meant summer vacation wasn't too far away. The snow melt was a good omen. Bare lawns sprinkled with the first few robins was a good sign. But a trip to Brown's Variety was even better. No, not for candy, not for a new cap pistol, not even for a new baseball glove. Those trips were made whenever I had saved enough money from selling The Citizen. The trip, which was a sure sign that summer was near, was when my mother brought us to see Jim Brown, to get our feet measured and fit with a new pair of P.F. Flyers. Sneakers, not tennis shoes -- black high tops. I can still smell the mixture of canvas and rubber. And I can still see Jim's smiling face, as I can hear the women in the next room -- Abbie, Bea, my mother and my aunt, Rachel MacKay. We were a part of the Brown's extended family, and were always welcome at the store, as were all residents of Bethel. And my guess is that Jim Brown is getting fitted for a new pair of P.F. Flyers at that big variety store in the sky, and I'll bet they've got wings on them. Jim certainly earned them. I hope he's got a pair up there for me.

DESSERTS WELCOME FOR 'JAWS'

To the Editor:

You read that correctly. Dessert donations are welcome for the 'Jaws of Life' fundraiser this Saturday, June 19, at the Locke Mills American Legion Hall.

This "Turkey and Pig Roast and Veggie Buffet" begins at 4 p.m. with fun for the whole family. Not only will fire trucks be on hose-shooting display, but a demonstration of the Jaws tool will recycle several junk cars donated by Gaudreau's. A brief safety presentation for the family, "What to do if you're in a car accident?" will accompany this demo.

Jewell Clark will lead a music variety show for young and old alike throughout the family dinner. Food served from 5 p.m. on includes firemen-size portions of turkey or pig roast with salad, potato salad, Leslie's famous "Firehouse Beans" and rolls. Cathy DiCocco is also offering veggie burgers and her famous tabouli salad. Meal tickets (including the evening dance) are \$10 for adults, \$5 for kids, and kids under five are admitted free.

A "Country Rock Hoot Nite" will run from 8 p.m. until midnight, with \$3 tickets at the door for this B.Y.O.B. portion of the evening. Entertainers joining with Jewell are Lori Pelletier, Donnie Kalin, Brandon "Elvis" Moore, Wendy Green, Don Murphy and the Hoot Express, Puckerbrush Cat, and more.

The Bethel Fire Department's "Jaws of Life" is used in surrounding towns by "mutual aid" agreement and we welcome all area residents to join us.

THANKS, CPS KIDS

To the Editor:

Once again on behalf of the U.S. Forest Service, I would like to thank the students of Crescent Park School for their outstanding efforts during last week's Community Service Day.

As student groups spread out in our community to work at various projects, the White Mountain National Forest was lucky to have the Grade Two and Grade Three students focus their abundant energy and enthusiasm on the jobs of trail maintenance and litter patrol in the national forest.

Thanks to the second-graders for cleaning up the many branches and logs left over from our spring cutting of "hazard trees" along the nature trail at the Evans Notch Visitor Center in Bethel. They made quick work of the mess and have left a safe and pretty trail for our visitors to enjoy all summer.

And thanks to the very hearty third-graders who braved wet brush, squishy mud, and rain to collect many bags of trash from the shores of Broken Bridge Pond. Not only were the students thorough in picking up all litter, they were serious recyclers as well, taking care to sort out the glass, aluminum and plastics.

Thanks, also, to the staff at Crescent Park School for supporting Community Service Day and showing our children the importance of getting out there and doing good things for our community.

Augusta Roll Call Report

By Steven Stycos

Each month while the Maine Legislature is in session, the Augusta Roll Call Report will detail the key votes of our area's legislators during the previous month.

The Roll Call Report is intended to help voters decide whether how well their elected representatives are representing the people who elected them. The Citizen urges its readers to clip and save these reports and refer to them later this year when candidates for state Representative and state Senator are seeking votes.

The Roll Call Report is researched and written by investigative reporter Steven Stycos using official House of Representatives and Senate documents.

State Sen. Norman Ferguson (R-Oxford) and State Rep. Arlan Jodrey (R-Bethel) were on opposite sides of recently passed legislation to ban "jet-skis" on lakes in Greenwood and Woodstock.

Ferguson talked with Greenwood selectmen and explained the procedure for banning "jet-skis" at Greenwood's Town Meeting. As a result, Greenwood and Woodstock joined with Bar Harbor and Northfield in Washington County to vote to ban the buzzing boats.

Under a law passed last year, towns can request a "jet-ski" ban, but the Legislature must grant final approval. Ferguson supported the two towns' requests, as did state Rep. Robert Cameron (R-Rumford), who represents Woodstock. State Rep. Tom Winsor (R-Norway), who represents Greenwood, was absent for the vote.

But Jodrey, who represents nearby Bethel, was one of only 30 representatives to oppose the local bans, saying the law is unnecessary. "Give it a little time," says the freshman legislator of the "jet-ski" problem, "it will take care of itself."

Jodrey points to the Webb Lake Association in Weld as an example of what he has in mind. Residents there met to start the process of banning "jet-skis," he says, but decided instead to set hours and maximum speeds. Having a camp on Songo Pond, Jodrey says he knows "jet-skis" can be a nuisance, but adds, "It's their lake too."

It's contradictory, Jodrey continues, for the state to be buying shoreline on Moosehead and Flagstaff lakes and banning "jet-skis" at the same time. "We spent the money to buy the access. We spent the money to buy the boat ramp. And now we're going to tell you you can't use it?"

The legislation passed over Jodrey's objections. "Jet skis" are now banned on Mud Pond, Oversett Pond, South Pond, Round Pond, Twitchell Pond, Hicks Pond and Furlong Pond in Greenwood and Concord Pond, Little Concord Pond and Shagg Pond in Woodstock. "Jet-skis" are also banned on North Pond and Bryant Pond, which is also known as Christopher Lake.

Cameron was one of three Republican representatives to initially vote against an increase in the state minimum wage and then change his mind and vote for final passage the next day (see House vote number eight). When asked about his switch, Cameron said he is not comfortable with Maine raising its minimum wage higher than New Hampshire. It's better if the federal government raises the minimum wage in all states, he adds.

Ferguson is pleased the Legislature enacted three bills that will help local communities. One appropriates \$50,000 to construct a memorial to former U.S. Senator Edmund Muskie in Rumford (Rumford is contributing another \$25,000 and private donations are also being sought, Ferguson says).

Another bill allows local officials to treat wandering bison like wandering cows. After bison escaped in Waterford, Ferguson backed legislation to enable the town to cite bison owners for a nuisance.

The third item spends \$3.7 million over the next two years to help local school districts pay for sending special education students with major problems to schools outside the district. The money will also help fund English as a Second Language programs.

Below is a summary of some of the major roll call votes taken at the Legislature during its final weeks. The attendance figures are for the entire year based upon 227 roll call votes in the Senate and 404 in the House.

SENATE

Ban Partial Birth Abortion: 5/20/99 vote on LD 1593, introduced by citizen petition, to ban partial birth abortions, except when necessary to save the mother's life. Supporters say the rarely used procedure is barbaric, but opponents say the legislation interferes with a decision best made by a woman and her doctor. The bill was defeated 14-18 and therefore will be placed before voters as a referendum.

Parental Consent for Abortion: 5/21/99 vote on LD 137, sponsored by state Rep. Douglas Ahearn (D-Madawaska), to require children under the age of 18 to get parental consent before having an abortion. Under special circumstances, permission could also be obtained from a judge. Supporters say children should not make such an important decision by themselves, but opponents say while children may consult their parents, the pregnant woman must ultimately decide whether to have an abortion. The bill was defeated 11-21.

24-Hour Wait for Abortion: 5/21/99 vote on LD 2123, sponsored by Rep. Ahearn, and co-sponsored by state Rep. Rodney Carr (R-Lincoln), to require all

women to wait a day before having an abortion and to provide them with education material about abortion and its alternatives. Supporters say waiting a day may cause some to reconsider, but opponents say the delay would unnecessarily pressure women and restrict their right to abortions. The bill was defeated 10-22.

\$500 Private School Tax Credit: 5/21/99 vote on LD 1786, sponsored by state Sen. Jane Amero (R-Cumberland), to give families with incomes under \$50,000 a year a \$500 reduction in their state income taxes to help pay for private school tuition. Supporters say the bill will help middle- and low-income parents to send their children to private school, but opponents say it would drain money and good students from the public schools. The bill was defeated 10-22.

Ban Lawsuits Against Gun Companies: 5/24/99 vote on LD 2192, sponsored by state Rep. Royce Perkins (R-Penobscot), to prohibit municipalities from suing gun manufacturers. Supporters say law suits by Chicago, Boston and other cities are improperly seeking gun control through the courts, but opponents argue that the state should not be telling cities and towns whether they can go to court. After an intense lobbying by National Rifle Association members, seven Senators reversed their votes, and the bill passed 19-15.

Longer Term Limits: 6/3/99 vote on LD 1078, sponsored by state Sen. Peter Mills (R-Somerset), to hold a statewide referendum to increase term limits for legislators and constitutional officers from eight to 12 years. Supporters say longer terms will produce more knowledgeable public officials, but opponents say the voters decided on eight years and the Legislature should leave it alone. (There were numerous votes on the bill. The roll call below revived the proposal at a key point.) The bill passed 77-70.

Increase Minimum Wage: 5/28/99 vote on LD 1891, (See Senate vote number eight). The bill passed 78-66.

Raise Gas Tax: 6/5/99 vote on LD 957, a compromise plan to raise the gas tax (See Senate vote number nine). The bill passed 101-40.

Ban Use of Kids to Enforce Tobacco Laws: 5/25/99 vote on LD 2052, sponsored by state Rep. Paul Waterhouse (R-Bridgton), to prohibit the Maine attorney general from using juveniles in sting operations to enforce the prohibition on selling cigarettes to minors. Waterhouse says minors should not be used to entrap store owners, but opponents say using juveniles is effective and worry federal funds for the program may be lost if the state cannot use juveniles. The bill was defeated 15-20.

Repeal Snack Tax: 5/24/99 vote on LD 56, sponsored by state Rep. Janice Labrecque (R-Gorham), to eliminate the sales tax on snacks. Supporters of the bill say the tax is confusing and encourages border residents to shop out of state. Opponents say the state cannot afford to lose the \$16 million a year in tax revenue. The bill was defeated 16-18.

Increase Minimum Wage: 5/26/99 vote on LD 1891, to increase the state minimum wage from \$5.15 to \$5.65 Nov. 1, 1999 and to \$6.15 Nov. 1, 2000. Supporters say Maine's poorest workers need a raise, but opponents say Maine will be at an economic disadvantage because nearby states have not raised their minimum wage. The bill passed 20-15.

Raise Gas Tax: 6/5/99 vote on LD 957, a compromise plan to raise the gas tax by three cents a gallon in August and increase the automobile registration fee \$2 in October. Supporters say the money is needed to fix Maine's roads, but opponents oppose a tax hike and say funds from the budget surplus should have been used. The bill passed 24-9.

HOUSE OF REPRESENTATIVES

Ban Partial Birth Abortions: 5/20/99 vote on LD 1593, (See Senate vote number one). The bill passed 74-70.

Parental Consent for Abortion: 5/20/99 vote on LD 137, (See Senate vote number two). The bill was defeated 61-82.

24-Hour Wait for Abortions: 5/20/99 vote on LD 2123, (See Senate vote number three). The bill was defeated 57-86.

\$500 Private School Tax Credit: 5/21/99 vote on LD 1786, (See Senate vote number four). The bill was defeated 69-72.

Reinstate Death Penalty: 5/18/99 vote on LD 2214, sponsored by state Rep. Debra Plowman (R-Hampden) to hold a statewide referendum to reinstate the death penalty. Supporters say Maine's most heinous criminals should be put to death, but opponents say the state should not take life and point to the string of innocent people recently released from death row. The bill was defeated 44-103.

Health Insurance for All: 5/21/99 vote on LD 2059, sponsored by state Rep. Paul Vollenik (D-Brookline), to provide health insurance for all Maine residents by eliminating all sales tax exemptions and placing a 10-percent or greater surcharge on the individual and corporate income taxes. Vollenik says providing health insurance for all is worth the extra taxes, but opponents say the proposal costs too much. The bill was defeated 55-92.

Watch for trekkers

AUGUSTA--More than 1,400 cyclists will participate in the 15th annual American Lung Association of Maine Trek Across Maine Sunday River to the Sea. Residents planning travel along the trek route from June 18 through the 20th are advised to take alternate routes. Trekkers start at Sunday River Ski Resort, spend the first night at the University of Maine at Farmington, the second at Colby College, and finish at the Samoset Resort in Rockland. The trek will raise more than half a million dollars to support lung association programs in asthma, smoking prevention and research. For more information call (800) 458-6472.

And watch for scam

PARIS--Police here are warning of a scam in which people posing as fundraisers for area cops have been soliciting telephone donations. In recent weeks, calls have been recorded in Oxford, Hartford, Sumner and Buckfield, Oxford County Sheriff Lloyd "Skip" Herrick said Monday. And the area may be wider, he said, but those are the ones which have been reported to his department. He is asking anyone in the region who gets such a call to "get rid of them. Ask them to mail more info before sending money," he suggested. "Or better yet," he said, "hang up."

Very low-rate MSHA loans available

AUGUSTA--An exceptionally low interest rate mortgage is being offered by the Maine State Housing Authority as of June 1, according to the authority. The 4.75 percent rates are available to lower income first-time homebuyers (people who have not owned a home in the past three years). For more information call local lenders who participate in the program or a real estate professional who is knowledgeable about MSHA programs.

Art fair July 3

BETHEL--The 10th annual Northeast Bank Bethel Art Fair is scheduled for July 3 on the Bethel Common. Artists and entertainers from around New England are expected to participate. Children's games will also be provided, and a fireworks display is planned for dusk.

Waterford church celebrates 200th

WATERFORD--This year marks the 200th anniversary of the founding of the First Congregational Church of Waterford. Several events are planned this summer to celebrate. A yard sale is planned for the July 4th weekend, to benefit events that will follow later in the year. A special church service and lunch are scheduled for Aug. 22, with a special invitation extended to descendants of the original founders of the church. For more information or to arrange for yard sale donations to be picked up or dropped off, call 583-4673.

More swim-lesson funds turned down

WEST PARIS--Selectmen have denied a request for \$100 to pay someone to help with a two-week swimming instruction program. Instructor Debbie Carlsen last week asked for an additional \$50 per week to pay for a helper. Selectmen, though, said they will stick to the amount that was earmarked for the summer swim program earlier this spring and approved by voters at the annual Town Meeting. Voters approved \$800 for the program, of which \$600 was to go toward administrative/instructional expenses and the remaining \$200 toward such expenses as porta-potty rental, pool chemicals and Red Cross fees. Town Clerk Dian Stimson said Carlsen has chosen Josie Jewell to help her with the smaller children while they wait for their turn in the pool. This year's lessons will run from June 28 to July 9.

Swim-lesson hours

BETHEL--Red Cross Swim Schedule for this summer is as follows. Levels six and seven, 8:40 a.m.; level five, 8:40-9:20 a.m.; level four, 9:20-10 a.m.; level three, 10:10-10:50 a.m.; level two, 10:50-11:30 a.m.; level one 11:30 a.m.-12:10 p.m., infant/toddler (5 and under), 12:20 to 1 p.m. Lessons will be given from June 21 to July 16 at the Bethel Inn Beach Club on Songo Pond. Pre-registration will be available at the Bethel Town Office until June 18. For more information, call 824-2669 or e-mail eslavallee@hotmail.com.

Mollycokett Day road race

BETHEL--On Saturday, July 17, the Bethel Area Chamber of Commerce, in conjunction with Key Bank, will host the Mollycokett Day Classic Road Race. This is a five-mile running race, open to all. Also, there is a three-mile walkers event; and for children ages 14 and under, a one-mile is offered. The one-mile race starts at 8:30 a.m., the five-mile race and the walkers event start at 9 a.m. The first 150 registrants will receive commemorative T-shirts depicting a melting 'Angus, King of the Mountain, with the drawing by Ken Irons. All races begin at the Bethel Common. For more information on all events, contact the chamber at 824-2282, or e-mail at info@bethelmaine.com.

Parsons joins national team

BETHEL--Thomas Parsons, 15, of Bethel has been invited to join the USASA National Snowboarding team for the 1999-2000 season. Parsons, who will be a junior at Gould Academy, won the Eastern Boarder Cross title this past season in his age division. He placed second in his age group in national Boarder Cross competition. Parsons is the son of Jeff and Patty Parsons.

River race on 19th

BETHEL--The third annual Androscoggin River Race will take place June 19, and will include events for both serious and recreational paddlers. The course begins at the put-in point at Bethel Outdoor Adventures near the Route 2 bridge. Competition will include both upstream and downstream elements. The course for the serious racers is seven miles, while the recreational course is four. There are classes for a wide variety of canoes and kayaks, single and double, and for all age groups and ability levels. For more information call 824-4224.

Killington did not discriminate

MONTPELIER, Vt. --A federal judge has ruled that a waitress, at the Killington Ski Resort, didn't discriminate on racial grounds when she asked a group of American Indian construction workers to leave a restaurant two years ago. But U.S. District Court Judge Garvan Murtha said he sympathized with the men, who are members of the Micmac First Nation in New Brunswick, Canada. "While the Court believes and sympathizes with the Plaintiffs' genuine feelings of discrimination and the effects of this incident upon their lives, the evidence presented at trial convinces the Court that (the waitress) did not intend to discriminate against them because they are Micmacs," Murtha wrote in his decision, which was signed Tuesday. The construction workers were in Killington to work on the ski resort's new hotel. The nine men claimed in their lawsuit that they were asked to leave a cafe in the resort's Snowshed Lodge on Oct. 12, 1997, because of their race. Their suit, claiming civil rights violations, asked for an apology from Killington as well as compensatory and punitive damages "in an amount found sufficient." The case went to a two-day trial in the federal court in Brattleboro in April. Waitress Lisa Myette testified at the trial that she was just following a policy that prohibited construction workers from entering the restaurant while dressed in their construction clothes. She said she was told not to continue seating construction workers after she complained that another group harassed her. In his decision, Murtha said he believed the men were asked to leave because of the way they were dressed, not because of their race. Myette was reacting to their occupations, and not to their race, Murtha wrote. "It was after she confirmed her suspicion of their status as construction workers that Myette denied the group service in the restaurant," he wrote. Myette's longtime boyfriend is of Cherokee heritage, he added.

From the Bethel Police Log:

Parent banned from Telstar

At 10:50 on Wednesday, June 9 a school official at Telstar High School reported that the father of a student entered the school and loudly and profanely threatened the official with bodily injury. The official declined the option of criminal charges, but asked that Wilson Downs, 47, of Locke Mills be notified that he is no longer allowed on Telstar property. A harassment/criminal-trespass notice will be issued to Downs.

Also on June 9

At 4 p.m. a silver 1987 Mazda pickup was reported to have passed a school bus with flashing lights that was discharging students. Sherman Bradeen, 22, of Dixfield will be summonsed for the violation.

At 6:30 p.m. a caller reported that the fuel hose at the Col. Dyke Airport was left unsecured and lying on the ground. An officer investigated and found the hose on the ground. Due to similar problems in the past, photographs were taken and will be given to a representative of the Airport Authority. A second inspection later that evening found the hose secure.

At 11:10 p.m. a subject was stopped for being in a graveyard at night. A routine license check revealed an active warrant out of York County. Brenda Rand, 37, of Bethel was arrested and transported to Oxford County Jail, where she was processed and held in lieu of bail.

Thursday, June 10

At 11:20 a.m. it was reported that a Richard Carrier Trucking Co. truck had pulled out of the Parkway, onto Route 26 south, in such a way as to nearly strike the Bethel Rescue ambulance. No contact was made with the offending vehicle.

At 10:45 p.m. a parking ticket was issued for a vehicle illegally parked in the handicapped zone at Irving Mainway.

On Saturday, June 12

At 10:45 p.m. a vehicle was stopped for speeding 51/35 and a routine license check revealed a suspended Maine status since 1973 for failure to appear in court. Randall L. Richards, 48, of Milan, N.H. was arrested and transported to Oxford County Jail, where he was processed and held in lieu of bail.

This report highlights points of interest from the Bethel Police Department log, but does not include all reports of police activity. To reach the Bethel Police Department, call 911 in emergency situations, 824-3437 in non-emergencies. An answering machine takes calls when an officer is not in the office.

Notice to Bethel Water District Customers

Bethel water district will begin doing shut offs for non-payment of water bills beginning the week of June 21, 1999.

These customers were notified by mail on June 9, 1999. If disconnected, water will remain off until the bill is paid in full, and a \$18.00 re-connection fee will be assessed. Payment arrangements may be made before disconnection. Payment arrangements are not accepted after disconnection.

TMS seventh-graders Aly Storck and Tim Beaudet raised money to help victims of the Columbine High School shooting and a Columbian earthquake, respectively.

Going door-to-door in Bethel, he collected \$240 in pledges. And going without food for a day proved to be "pretty easy," he said. A check for \$240 was then sent

in care of the American Red Cross. What did his classmates think of his effort?

"They thought it was pretty cool," said Tim.

Surgery

Continued from page 1

ahead with the surgery. On May 18, they went back to Sherbrooke. The procedure took less than two hours for both of them.

Jeri couldn't believe how quickly it went. "I was shocked when he (the doctor) said he was done," she said.

They remained in Sherbrooke at a care facility for four days. During that time, they received regular eye drops -- and slept a lot. "They encouraged us to sleep, to have our eyes closed," said Jerry.

How much discomfort was there? "It felt like you had been swimming in strong chlorine in a pool," said Jeri. Jerry described it as a burning sensation.

The improvement in vision was immediate. While still in the care facility, they confessed, they stayed awake at night to watch -- without glasses -- several season-ending episodes of their favorite TV shows.

When the Greenwells drove home, they noticed a slight bluish glare at night from oncoming headlights. That was expected, they were told, and would likely go away or at least diminish, depending on the individual.

They also have to wear sun-

glasses regularly for several months. A slight sensitivity to the sun can remain permanently for some people, they said.

Jeri may also need reading glasses in a couple of years, she said. But the correction for nearsightedness should be permanent.

Since the surgery, Jeri has been spending a lot of time explaining what happened.

"I've had a lot of people not know who I am," she said. And people who did recognize her -- at least in the Brooks Bros. setting -- are full of questions. "They'll say, 'Didn't you used to wear glasses?'" A full narration by Greenwell usually follows.

So far, she estimates, that's happened somewhere between 30 and 50 times. And several people are now looking into the surgery for themselves. "They say, 'I want to do that -- tell me about it,'" she said.

Jerry has also had inquiries. "They call you at home," he said.

Both Greenwells are happy with their new eyesight. It's particularly easy to tell how pleased Jeri is, said Jerry.

"She spends hours in the IGA reading cereal box labels," he said.

SEEING IS BELIEVING--Jerry and Jeri Greenwell of Bethel recently had laser surgery performed to correct their eyesight. Jeri, whose family owns Brooks Bros., is finding it easier to read the labels on store items.

Budget

Continued from page 1

Ethel Bisbee School was too expensive to maintain.

Yet, he noted, the building was still being used, maintained and heated, and the budget information presented to voters this year included a reference to having the parking lot paved.

Rosberg, however, said the EBS paving had been one of the last items cut in the budget process, and reference to the project should have been removed from the budget description sent to voters.

District Business Manager Bruce Powell noted that much of the cost of maintaining EBS is offset by the

fees charged for Adult Ed courses held there.

But he conceded that taxpayers also contribute to the Adult Ed budget, and thus to supporting the facility.

If approved by voters on June 29, the proposed school budget will impose a 3.97 percent increase in the local school-tax bill.

For the owner of a \$75,000 property, the impact of that increase would range from \$19 a year in Andover to \$28 in Bethel.

A detailed breakdown of the new budget and its impact will be published in next week's Citizen.

"UP WITH PEOPLE"
TWO STAGES OF THEIR VISIT
The international students of the "Up with People" Tour not only performed on stage for area residents Tuesday, but they also did community service work beforehand, cleaning -- and cleaning out -- Odeon Hall. Left, the visitors, along with local volunteers and kids from Camp Sunday River, clean the hall and its stage. As they worked, others were busy at similar tasks in the front offices on the second floor of the building. Right, performers entertain Tuesday evening in the Telstar gymnasium -- in front of an enthusiastic crowd of well over 500 people.

Six youths were confirmed and joined the West Parish Congregational Church recently: Sarah Marshall, Chelsea Marshall, Caroline Raymond, Angus Graham, Daniel Zinchuk and Joel Doyon.

The Senior High Fellowship of West Parish Congregational Church will be taking a trip to New York City from June 21 to 24. They will be volunteering at the Food Cupboard, visiting Ellis Island and China Town.

Erika Lamarre, daughter of Vickie Robertson of Topsham and granddaughter of Henry and Betty Robertson is the new resident director of students at Bay State College in Boston. She recently resigned as director of student life at Thomas College in Waterville.

Tom Wheeler is a patient at CMMC hospital in Lewiston.

Albert and Katharine Johnson of Bailey Island visited Randal and Sarah Stevens three days this week.

Tom and Sue Howe of Intervale Road have a new two-car garage. A nice addition to their home.

Randal Stevens' name was drawn

for the Moose Hunt.

A message was received from Bobby Aripez of Georgia informing us her mother, Virginia Hood, is recuperating following a back injury. Virginia was a Bethel girl who married Dr. Ralph Hood. She would love to hear from her many Bethel friends. Her address is: Virginia Hood, 150 Shangrila, Largo, FL 33770.

Shelly Keoskie Peterson and two children, Kyle and Haley, of Hawthorne, N.J., are spending two months in Bethel visiting with her mother, Jackie and Robert Schuesler.

George and Danna Nickerson are having their house painted.

The Bethel House

by Ruth Cummings

Hello! Elsie in Market Square. Hope you have a cool apartment these hot, humid days.

It is just great to have John Kallis back from Florida, where he spent the winter.

Communion was observed on Sunday at Bethel Alliance Church. There was a very nice attendance. Pastor Rick's topic for the day was "A Prayer for Power." My two favorite hymns that were sung were "Cavalry Covers it All" and "Amazing Grace."

Ben Conant will be our guest speaker on July 4 and John Holliday on July 11.

On Father's Day our ladies trio will be giving a mini concert in lieu of the morning message.

Committee meetings were held on June 1 instead of the fifth Sunday in May due to Memorial Weekend. The Fellowship Committee has some nice things planned for the summer months.

K.C. Denton was at the Bethel House on Wednesday on maintenance and there was also a man there trying to fix the intercom system, but he has to order a new one before he can get it fixed.

Drew Webster went to Shop 'n Save on Saturday and also to Ketter's and he was kind enough to ask me to ride along. I certainly enjoyed it.

Vada Glover was on a camping trip part of last week and then her daughter and husband visited her so we did not get to play cribbage. She said they saw so many moose she lost track of how many.

Kim Shannon is now delivering the Lewiston paper to the Bethel House and some surrounding areas. He is doing a very good job. However, he has to take about three months off as he has chemo treatments. I hope many of you will remember him in your prayers as he undergoes these treatments. Good luck Kim, and it will be nice to have you back in the fall.

One day some of us at the church were speaking of Angus the Snowman. I said when his life on

this earth was over he would have to have his remains picked up in a pail. One lady said I had too much time on my hands. Really, that is very true and it is so with a lot of old folks and some are much worse off than I am. They cannot get out of a wheelchair or bed without help. Life gets lonely at times for me; it must be just awful for those so much worse off than I. A visit, a phone call, a card or a letter would mean so much.

Vada Glover did make it up on Tuesday. We went to the Foodliner, the bank, the town office so I could vote absentee, to Ames and Wal-Mart and we had a great meal at Shaner's.

Upton

by Eleanor LeComte

The warm weather this past week was both good and bad for the growing things. The good

side is that vegetable gardens are way ahead. Upton is known for having a beautiful show of lupine all over town. It has peaked, with every stalk in bloom. Many people came from out of town to see them and photograph them. The color is no less than spectacular. There are pinks, raspberry, deep blue, purple and variegated blooms. Carolyn Hill says that we are at least a week

Alder River Grange had a regular meeting on June 11. We were instructed by Bill and Shirley Hatch of Androscoggin Pomona on draping the charter and balloting for candidates. Election of officers followed with these results: master, James Lowe; overseer, Peter Haines; lecturer, Dorothy Boyce; chaplain, Connie Tuttle; steward, Kaye Barker; assistant steward, Tim McGuire; lady assistant steward, Beth Myers; treasurer, Stanley Howe; secretary, Nancy Mercer; gatekeeper, Jack Jones; Ceres, Gerry Howe; Pomona, Nina Mollicone; Flora, Jeannette Kimball; three-year executive committee, Mellen Kimball; assigned musician, Althea Fish.

Alder River Grange's first supper menu will be beans and casseroles on June 26 at 5 p.m. at the Grange Hall.
Barbara Hamilton of Peoria, Ariz., visited at the Bartlett Homestead for several days recently.
Mr. and Mrs. Roger Twitchell, Polly Smith and Ruth Bethel attended the Bethel Senior Citizens Club on June 9 in Shelburne, N.H.
Dave and Ann Morton of Hanover will be staying at Florence Hastings' for a while. They sold their house on June 9. They must move out, and their house in Bryant Pond will not be ready to move into until July 1.
George Haines had surgery on

June 10 to remove a benign tumor that had panicked the nerve leading to his left leg. He is now free of pain and came home on June 12. He needs to wait awhile before going back to work.

I acquired a new computer (new to me) and I don't know if I want to set it up. I like my old dinosaur of a computer. There are some things the old one cannot do, though.

Good haying weather the past week.

Franklin Grange 124 met on Monday, June 7, with 17 members present. It was election of officers

and it was voted to have a joint installation with West Paris and to ask Wayne Sherman's group to install them. Sylvia Johnson reported on Nancy Willard's dance classes and turned in the money. Sick members were reported on. The program was as follows: opening thought by Bertha Benoit; song by all; the Memorial Day poem read by Bertha; call of remembrance by Richard Felt; song by all, "In the Garden"; prayer by Laura Hutchins, followed by the Lord's Prayer; Bertha and Laura placed flowers on the altar in memory of six members who passed away since last May; a Memorial reading by Lucy Robbins; Bertha read several verses from Psalms 118; song by all; closing prayer; closing thought and

closing song. The next meeting will be June 21 for C.W.A. meeting with a 6 p.m. supper and 7 p.m. meeting.

Bryant Pond Hour on Channel IV TV is each Thursday at 4 and 7 p.m. and Saturday at 9 a.m. and 7 p.m. At the Baptist Church on each Wednesday, prayer meeting is at 7 p.m.; Thursday at 10 a.m. and 7 p.m. is Ladies Bible Study and at 7 p.m. Men's Discipleship Class. On Saturday there is choir practice at the Keniston's at 4 p.m. Looking ahead -- June 20 Winfield Holman will be at the morning service to update on his ministry. On July 4 Dave Phillips, area representative for the Bible Broadcasting Network and station manager of WYFP, 91 FM, in Harpswell, will be at the church.

On Friday, June 4, local resident Alice Arlen appeared on the Channel Six show, "Lunch Break." Besides the host, Jim Crocker, reporter Bill Greene appeared with Alice. All the discussion was about sporting camps, which Alice is quite informed about. She wrote the book "In the Maine Woods," an insider's guide to camps. This was a great opportunity for her to discuss her book.

Elton Cole has a role in the play "Rumors" and is also the co-producer. "Rumors" is a comedy farce written by Neil Simon. The performance is at Paris Hill Academy, Paris Hill, and it will run through the 17th and 18th at 8 p.m. Tickets are sold at Books 'N' Things in Oxford.

Rose Poland is looking for volunteers to read to children at the library. Her goal is to have a story hour one or more days a week. The new addition has a special corner for the children. Until it is ready, you might want to read these books

recommended by a local reading teacher to your children; "Where the Wild Things Are" and "There's a Nightmare in my Closet", Maurice Sendak and Eric Carle, "The Very Hungry Caterpillar" and "The Very Busy Spider."

The loon is back nesting on North Pond. It is a beautiful bird. Also Canada Geese and their goslings are swimming in the pond at the bottom of Merryfield Hill. Thanks for the news again.

Sympathy is extended to the family of "Sonny" Howard.

Beatrice Farnum and Ken and Alice Hoyt attended the graduation party for Jennifer Stevens on Sunday at Stevens Camp.

Vince and Beverly Stevens, Lena Dean and Georgia Thayer went on Sunday to Barrington,

N.H., where they visited with Bev's sister, Meriel and Steve Bunkers at their new home. Meriel is also the daughter of Georgia Thayer.

Virginia Aridas returned on Thursday to New York after spending a week here at her log cabin.

Harlan Abbott and Vern Inman returned Thursday after spending several days fishing at Nesowadinehunk Wilderness Campground.

Dick and Carolyn Snow of Bath visited Sally Doughty and Eino Rosenberg several days this week.

Much sympathy is extended to the families and relatives of Lempi Cyr upon her death. She will surely be missed in many places.

At the shop where I work, some of our jobs are the types that give you a few minutes to reflect, or do other things while a machine is drilling a hole. We set the machine up to drill a hole in a piece of stainless steel rod, say, and perhaps it will take the machine 10 or 15 minutes to drill the hole. Well, often we don't have to do much, while the machine drills, except, keep the chips cleaned out and check once in a while to see if the hole is progressing in the correct direction. While that is happening, sometimes the operator will beat feet for the break room and coffee, and, perhaps, a brief visit to another machine operator.

It's pretty scary to see the directions that the minds of grown men can take, when they have a little too much time for reflection. One of the odd pursuits of the minds of certain individuals at the shop, is to speculate about the source of the water for the coffee and, who obtained it. As an example, some of the suggestions recently have been: the doggy and kitty motel, next door -- the condensation water that drips out of one of our air lines between the compressor and the machines -- the ladies restroom -- the cooling water in the bowl atop our drill grinder, which often has white, knobby chunks growing along the sides and spittle floating around the edges.

The other day, Beanie and Eeyore discovered a large insect, about two and one half inches long, kind of slender, and with wings like a housefly folded along both sides. Somebody brought the thing into the shop, and apparently the cutting oil atmosphere did him in. At any rate, the next morning, when Hobbs brought my coffee (a scary thought), it had a large insect wing floating around the surface. That answered the question about the source of the water for that pot, but it led to numerous juvenile comments about me trying to fly with one wing and screwing myself into the ground, and also suggestions as to whom was to find the other wing in his coffee.

The next day, I spied a mouse in the men's restroom and stomped him. Then I put the corpse in Eeyore's empty coffee cup. Hobbs chastised me for not asking the mouse some questions about giraffe anatomy (response to an old joke) before stomping him. Then, someone suggested mouth-to-mouth resuscitation for Eeyore, who declined. Then, it was decided to place the cup-with-mouse in Dianne's chair before she arrived at work. But Odie was in her chair when Eeyore brought in the object, and wanted to know, "What happened to him?" I started to explain that I caught the mouse peeking while I was in the restroom, and Odie interrupted, "Oh, now I understand. He saw you and split a gut laughing." Well, now you see what happens when grown men don't have enough to do to keep their minds occupied.

THE SECOND ANNUAL GOULD ACADEMY GOLF TOURNAMENT, presented by the Bethel Inn and Union Oil, will be held Saturday, June 19, at the Bethel Inn & Country Club. Tournament proceeds go directly to faculty development, and last year's tournament netted just over \$7,000. Tournament organizers are projecting to better last year's result and are very pleased with the number of teams that have already signed up to play. There is still room for additional players. However, they urge golfers not to wait if they have been planning to take part, as there should be nearly a full field by tee off. Individuals in photo from right to left: Bill White '80, innkeeper; Jim Konkel '81, trustee; Allen Oechsner, U.S. Trust; Leigh Weiss, U.S. Trust; and Bill Clough, Gould Academy headmaster.

East Stoneham

by Eleanor Nelson

Hi readers. I don't have much news this week. I'm still recuperating from having the yard sale last weekend. We did quite well on it and expect to have another one sometime this summer. We didn't hardly touch stuff in the attic. Things sure accumulate, don't they? It was fun to do anyway and we now have a bit of spending money and less stuff around.

The Stoneham Church Bake and Thrift sales on Saturday, 10 a.m. to 2 p.m., started off quite well. Thanks to everyone who baked and donated and to the buyers who stopped in. Also, thanks to Marilyn Jones who worked at the bake table. The church siding, etc., is looking better and better. In the process, it

was found that the windows needed to be puttied and painted around, which made more work to be done than first anticipated. One thing leads to another, doesn't it? But it will be a good job done when finished. George Kosiavelon is doing the work with his helpers.

The Community Events Committee did quite well on their public spaghetti supper held at the community room at the fire station last Saturday, June 5. They were quite pleased with the results.

You probably get tired of hearing (or reading) about the Stoneham bear, but I would like to add that the picture in the past week's paper was taken by Debra Folsom of Butters Hill. She took lots of pictures of him, but her name was left off the item. Sorry, Deb. I haven't heard much about him lately. I guess he's gone to another area.

Don't forget the first public church supper at the East Stoneham Church on June 17. The time is 5 to 6:30 p.m.; same prices as last year -

\$6 and \$3.

Our sympathy and prayers go out this week to the family and friends of John Hatstat who died this past week. He was from Albany and laid to rest in the East Stoneham Hillside Cemetery here yesterday, June 9.

This cooler weather today is most welcome after those few awfully hot days.

I told you last week about the good garden that Harry Logan has. Now, I'll tell you what Frances Grant has grown. She has picked 15 four-leaf clovers already this summer and those are usually hard to find. I can never find one, but she finds one every time she looks.

Remember your father on June 20 (or every day for that matter) but especially Sunday, which is Father's Day.

I had a nice short visit Wednesday with Wilma Taylor and also Al Yemma at the Norway Rehabilitation Center. They always enjoy visitors.

Greenwood City

On Monday we again gave special attention to our flag, Old Glory.

Do you remember the first time you really saw the American flag? Does it bring a host of memories each time you look at it?

Our flag has united and inspired us in peace or war. It is displayed on historical occasions, and during a ceremony.

I decided I should review its history, so I looked up my book "Old Glory, a History and Celebration" by Nancy S. Grant. I enjoyed nearly an hour studying it, and reviewed much I had forgotten, or never knew, why it received the name "Old Glory" -- interesting.

Our flag continues to meet new challenges. Its devoted service continues to mean different things to different people. There lies its beauty.

The parents and grandparents of graduates have been very busy this last week attending various activities.

I have been busy trying to prepare my soil for flowers this week. The work seems harder than in past years.

Rena Curtis reports a very nice time with her family at a camping trip over the holiday.

Over this last weekend, Ann, Robert and David and some of their families were at the farm with Leona and Fay Holt.

Wednesday evening, June 9, family and friends celebrated Staci Littlehale's 18th birthday. Terri Littlehale made the cake. Happy Birthday, Staci.

Locke Mills

After a couple days of warm, almost hot, muggy weather, we certainly have enjoyed perfect

Maine weather, for us anyway. The plants seem to enjoy the muggy stuff with the warm nights. It has been perfect sleeping weather for us mammals but our amphibians like the warmer stuff too, and kept Andy awake during the warm spell, and it takes a lot to keep him awake. I'm just glad we have such an abundance. I sort of listen to the chorus and then a chug tells me there is a bullfrog and then several other distinct sounds. I wonder if that means different kinds or different ages or does one have several types of calls as the loons have. They seem to like to call during the nights, too, and I love to listen to them. The only call I have trouble with is something back of the house that makes a long shrill twill. That can keep me awake; otherwise, I just listen to the chorus and before I know it, it's morning.

I expect by the time you read this, my daughter, Marcia Smith, from Presque Isle, will be here for her annual visit. Now that she's working, I only get her for a week, but that's better than nothing. Now if she and I can only find the strength we need to do all I've planned.

Ann Fitzmorris, Lorene Cobb and I all had breakfast at the Frozen Logger on Wednesday. We had planned to make it a foursome with Crystal Lake, but unfortunately couldn't find a time that all four of us could make it. Lorene leaves Sunday for Colorado with her children, Calla and Preston, to join her husband Preston, and daughter, Miranda and family, who are al-

ready there. They all lived in Colorado for many years and decided to go back, as the economy is better there. They also missed their church, New Hope in Christ. Of course we will miss them, but no one has found a way to scrunch up the states, so they will be closer together. My friend, Anne Magnuson, and I once sent each other plates with our respective states painted on them so we could get Illinois and Maine together -- at least on our walls. But that is the only way we had ever found.

Andy and I were in Lewiston last Thursday where he saw his oncologist, who gave him an excellent report; then we went to Uncle Fritz and Aunt Norma's to attend a cook-out. Since Kathryn Bray Peterson will be three on June 14, they invited her and her mother and father, Amy and Steve, and older brother George, age 4, and his grandmother and grandfather, Ellie and Fred Peterson. We all had a good time. I forgot, Norma's daughter, May Millard, was there, too. After dinner Andy and Steve put together a sort of display case that Norma had picked up at a yard sale. Norma has a fantastic collection of dolls. While they were doing that, Norma, May and I went to yet another yard sale. I got a roll of wallpaper for 50 cents. I am a big spender at yard sales.

Speaking of the Petersons, there was a big article on the Peterson Machine Shop and the four generations that have worked there -- actually still are working there, as Fritz, 97, Fred, 70 this summer, and Steve, 28, work there with George, 4, occasionally putting on labels --

South Woodstock

by Andrea Wing
Congratulations to Will Gravier, who graduated from OHCHS and also to Jeremy Curley, who

graduated from THS. I missed them in my last column. Sorry.

I was very pleased to see all the awards and scholarships given to THS students this year. Those from this area who are receiving several grants and/or scholarships are: Jeremy Curley, Staci Littlehale, Brandy Poland, Neil Thurlow, Emily Phillips, Jeff Chandler and Cylas Cash.

Also, special faculty awards for four years of academic excellence were given to: Cylas Cash, Industrial Arts; Emily Phillips, English and Social Studies; Jeff Chandler, Science and Social Studies. Neil Thurlow received an award from Big Brothers/Big Sisters organization.

Many of the students received substantial amounts toward furthering their education. I want to congratulate all the grads and wish them much luck and happiness in the future.

The Whitman Memorial Library will be advertising for a 20-hour per week (part-time) librarian. If you are interested, call Vern Maxfield at

the Woodstock Town Office.

The library is in the process of being dry-walled. All the painting has been done on the outside of the building. Tim Poland and Perry Ryerson did a perfect job matching the new paint with the old. The trustees want to thank them for their fine work.

Larry Poland has been a patient at Stephens Memorial Hospital and is now home.

Sympathy goes out to the family and friends of Lempi Cyr, who died last week. Lempi was a friend of mine and will be missed by everyone.

Jessie Hart and Jenny Record traveled to Lisbon Falls one day recently to baby-sit Zachary Lynch. Sarah Hart, Zachary's mother, has gone back to work at the Fairview Hotel in Scarborough.

I attended the graduation of my youngest grandchild, granddaughter Jessie Hart, who graduated from OHCHS on June 5. There were 204 students in the graduating class.

Last week was the final week that I'll be watching Shaun Baker and putting him on the school bus here at the corner. I have enjoyed him very much and never realized how much a six-year-old knows. He is very smart and it has been fun to do. Shaun will be in the first grade at Woodstock Elementary School next year.

Congratulations to Todd Ryan Wing who graduated from St. Joseph's College on May 8 with a Bachelor of Science and Physical Education degree. Todd is the son of Gary and Jeannine Wing of South Woodstock and grandson of Elwood and Dot Wing of Bryant Pond.

Making Time Count Then, Now and Always in Bethel Village...
a pioneer Millennium Town

Bethel - A Millennium Community -

The town of Bethel has been selected as an official Millennium community, the first so designated in the state of Maine. The honor bestowed by the National Millennium Council recognized that we are planning "meaningful community projects that will reflect the council's theme to "honor our past and imagine our future," and that our community "can serve as an example for the rest of the nation."

The theme chosen for our application, *Making Time Count: Then, Now and Always* won congratulations from the National Council and will be the central focus to all of our local celebrations and projects.

The Millennium Contact Person for the Town is
Don Murphy, who can be reached at the
Town Office at 824-2669

THURSDAY, JUNE 17th • 10 AM POST OFFICE DEDICATION

The first official event of Bethel's Millennium Celebration.
There will be an official stamp cancellation marking this event.

Following the Ceremony, we will walk over to the Odeon Hall
above the Town Office to view recent cleanup and discuss future restoration.

So, Now What?

Washington challenges every millennium town that is designated by asking that you think about Making Time Count. What does it suggest to you today? How are you going to accomplish or honor this in your town?

Consider how you can express these thoughts and ideas through the arts and humanities.

The first step is to invite one representative from every organization and institution from Bethel to join a local Millennium Council. Our purpose is to inspire and coordinate educational, creative and productive projects which commemorate this milestone in time, and bring our community together in spirit and celebration. The Millennium Council hopes to achieve three goals in answering these questions asked by Washington.

1. Marking the Post Office dedication as the first official event of Bethel's Millennium celebration. The rededication of the Post office on Main Street will be on June 17th, at 10 a.m. There will be an official stamp cancellation marking this event. This dedication represents honoring the past and also celebrates those who kept the Post Office in the center of the village.

2. Celebrate the Future through the arts and humanities by encouraging the CPS, Telstar and Gould Academy students to design and create a sculpture/sundial that will mark the Millennium with the theme "Making Time Count Then, Now and Always. The goal is to use our local resources such as stone, light and metal and incorporate themes based on what our founding fathers have relied on these past years. Timber, farming, logging, forging etc. so that the community's heritage is incorporated in the celebration of honoring what was, what is now and what will be for the future.

3. Creating the Timeless Garden and a new walkway that is created with commemorative bricks etched with a family name, an expression or thought that honors the past and leads the way to the future.

The preservation of Main Street and the village is done not by one individual but by many concerned citizens with deep loyalties to the past and profound commitment to the future.

We encourage you to share your ideas and thoughts on celebrating the Millennium in Bethel during the year 2000.

We will have a
**Millennium Council meeting at
The Town Office on June 29, 1999 at 7 p.m.**
All Interested Welcome!

Commemorative Bricks for Sale

As a fundraising effort the Millennium Council would like to sell commemorative bricks that would be used to create a new walkway (hopefully placed in front of the newly revamped post office in Bethel village).

Anyone may purchase a brick at a cost of \$35 each. It's an exciting way to preserve your family heritage, announce a new addition to your family, mark a graduation, a milestone, an important event in your life or just for fun. Each brick allows up to 14 characters on three lines and it's tax-deductible. Our goal is to sell 6,200 bricks. The money raised will help pay for the sculpture created by the local students, the placement of the new walkway, a sundial and the Timeless Garden.

Commemorative Bricks

In order to reserve your brick, please make your tax-deductible check out to
The Town of Bethel/Millennium, P.O. Box 1660, Bethel, Maine 04217.
Bricks may have up to 14 characters on each line. 3 line maximum.

society from Exxon, courtesy of Exxon annuitant and Society President Walter Hatch. The other was given in memory of Lester Bennett and Sandra Bennett Mason by Bessie M. Bennett and Randall H. Bennett. Much gratitude is due these donors for making the cases possible. The society is now preparing exhibits for the two second-floor rooms. Exhibit cases are needed there as well. Those wishing to make a donation of a case in honor of a loved one or in memory of an ancestor should call the society office at 824-2908 or (800) 824-2910 for details.

The deepest appreciation is expressed to the first donors for 1999 to support the appearance of the Portland Brass Quintet at the

Community Picnic planned on the lawn of the Dr. Moses Mason House for July 4. Thanks go to Jim and Lucia Owen of Bethel. Those wishing to ensure the quintet's appearance in Bethel should send their tax-deductible donations to the society at P.O. Box 12, Bethel, ME 04217-0012.

From the

Bethel Area
Poets Society

The Bethel Area Poets Society will be back at Café DiCocoa this month.

On June 24 from 7 to 9 p.m., Bethel poets will hold a poetry reading at the Café on Main Street. It will be open to all poets and those interested in listening to poetry.

A change for the evening will be that the group will also work on poems in progress. All poets should bring a minimum of three copies of the poems that they'd like to read and work on that evening. Copies will be for all to help critique. For more information, please call 824-3427.

From the

Telstar Alumni
Association

The monthly meeting of the Telstar Alumni Association was held on Tuesday, June 8, at 6:30 p.m. in the Telstar library, with six members present. We discussed a float for Mollycodd Day (July 17). We need volunteers to help with building the float as well as those willing to ride on it in the parade.

Class agents are still looking for current addresses for their classmates. It's the goal of the Alumni Association to gather names and addresses for all its members from the first class that graduated from Telstar in June of 1969 to the present class.

We are having a special alumni meeting on June 22 at 6:30 p.m. at Rebel Recreation in West Bethel.

From the

Bethel Senior Citizens

The Bethel Senior Citizens Club met on June 9 at the Shelburne Town Hall for their meeting and dinner with 49 members present.

The door prize was won by Marie Witter and the raffle by Tillie Meyers.

The bus trip to the Balsams and The Shrine will leave the Bethel

Family Health Center at 8 a.m. on June 23.

The next meeting will be July 14 at The Little Gypsy Restaurant in Gorham, N.H. The cost of dinner is \$8.

Dorothy Eichel gave an interesting talk on Yugoslavia and also showed slides.

From the

Bethel Area
Chamber of Commerce

Welcome to our newest member, Home Solutions of Bethel, Mark Wigley, owner. Mark does home repair and remodeling of all types and can be reached at 836-3602.

The Davis Park Playground Committee recently requested the chamber consider donating one of Angus' buttons to the playground.

Paula Gillies, the chamber board vice president, offered to donate the button; she was the high bidder on at the annual Awards Dinner/Auction. We will see this "button" at the Park soon. Many thanks to Paula for her generosity.

We celebrated the official melting of Angus last Thursday, June 10 at 12:30 p.m. Our judge, Jim Sysko, did a great job of keeping his eye on the last of the pile over the last weeks. In fact, he was diligent enough to spend 15 minutes or so the last two evenings at midnight in case the last of him melted in the middle of the night. Thanks very much to Jim. We had 22 raffle winners who chose June 10. In keeping with the snowman theme, the Bethel Winter Fest 2000 Committee is meeting on Wednesday, June 23 at noon at the chamber office to "fine tune" their plans for next year's event. All are welcome.

Stevens - Leonard

Charles and Dorothy Stevens of Harrison are pleased to announce the engagement of their daughter, Kerry Robin Stevens, to Andrew Todd Leonard, son of Estella Leonard of Poland and the late George Leonard Sr.

The bride-to-be is employed at the Maine Veterans Home in South Paris and the future bridegroom is employed at the Jolly Gardener in Poland.

A Sept. 4, 1999 wedding is being planned at the Poland Community Church.

In Memory of Peter P. Howard Sr. March 25, 1951 - June 20, 1997

We think of you in silence
and make no outward show
but what it meant to lose you
no one will ever know.
You wished no one a last farewell
not even said good-bye.
You were gone before we knew it
and only God knows why.
A golden heart stopped beating
your tender hands at rest
God broke our hearts to prove to us
He only takes the best.
If stairs where made of heartaches
by adding teardrops too
we'd build a stairway to heaven
and climb it each day to you.

With all our love
Your Wife, Candy
Your Children, Lorie & PJ
Grandchildren, Kristi, Karen & Shawna
